- On-demand grinding with electronic dose adjustment
- Single and double dose with independent adjustment
- Doserless Dispensing Method
- Stepless Grind Adjustment
- Infinite Grind Settings
- Portafilter Holder

**Built to last with only  
top-quality materials**

The Super Jolly Electric is a great espresso grinder for a medium volume business. The Super Jolly Electric is built like a tank and made to outlast your baristas. The grind adjustment is unlimited with no snaps or clicks, just find the perfect spot and grind.

## 2.7 lb. capacity bean hopper -

if you have a busy café that is literally busy all day long, having the powerful Mazzer Super Jolly, with its 2.7 pound bean hopper, by your side, is a definite advantage.

## 64 MM PRECISION FLAT BURRS

The Mazzer Super Jolly features heavy-duty burr grinding wheels to crush the large quantities of coffee quicker while imparting very little heat to the freshly ground coffee. The cutting wheel is 64 mm in diameter and uses high-grade tempered steel for long life.

## Stepless micrometric grind

**calibration** - capable of very fine adjustments to get the espresso grind just right. Fineness levels can be easily changed using the grind adjustment disc located below the hopper. Turn the grind adjustment disc clockwise to decrease fineness and counterclockwise to increase fineness.
