Between form and substance

Our cookers stand out for their contemporary design, inspired by elegant essential shapes and lines, that are functional and combine design and ergonomics for the perfect balance between modern form and substance.

Cookers built and tested to last

Berto's products are not afraid of the passing years, only the best steel and expertise of their technicians are the ingredients that enable them to consider time as an ally.

Innovation is the soul of BERTO'S, and we are constantly working with passion to create the best solutions of the future.

E	Electric Connection	V 220-240 ~	kw 3,5
C	Water Charging	R 3/8 UNI ISO 7/1	

FUNCTIONAL FEATURES

Worktop in AISI 304 stainless steel.

Pressed basin with large rounded edges completely made in AISI 316 stainless steel.

Water circulation guaranteed by a drilled bottom that ensures the baskets kept away from the basin base and protects the heating elements positioned in the basin.

Spherical draining tap with front bayonet connection controlled by a heat-proof handle.

Adjustable feet.
