13 oranges
per minute

02

It consumes less
than a light bulb.

This machine is not only characterised by its presence, but also by its many qualities

It is automatic
With its **Push Button** operation, enjoying a juice in **5 seconds** is at the tip of your finger.

Modes of use
You can serve the juice in the integrated jug or directly into a glass thanks to its self-service tap.

Digital Display
Used to control the machine activity or the total number of oranges to be squeezed.

Built-in waste container
Convertible for continuous removal on countertop.

Interchangeable colours
You can change the colour in a jiffy, to be able to adapt it to any space.

Triple safety system
Protecting you from accidentally opening the machine and preventing its operation if not correctly mounted.
